CARNELIAN

THE CEREMONY

*This is my first
time sleeping in this
room by myself!*

*If
Mama
was
here...*

*Mama will
have*

*We're always
together and we
will have*

*Why am
I crying?*

*Mama,
I miss
you*

Mama!

*Mama!
Mama!*

Solitude is so lonely...

*And now...
I know that
these really is
genuine girls
will wrap their
arms around me
and love me*

*Of an
imprisoned
prisoner
being returned
by a dog*

*But really...
I'm always
dreaming*

*I've gotten
used to always
sleeping alone
since then...*

*How many
years have
passed
since that
night?*

When he is near
me, his heart and
mind are overflowing,
and he even is
crying etc..

...he suddenly
appeared...

But... who
does he want
to be with more
than anyone
else?

But dreams and
reality are quite
different...

The second time
I wore my school
clothes, that night...
I definitely felt like
we understood each
other well.

Second time,
just as thinking
that Kiyoshi
good!

When he came to my room then...

I wonder what he really wanted from me.

See, what kind thing...

Black the other day I had them say there was long there have ahead of time...

Are there underwear today though? Ah! The little dog was looking! I thought you were going to just surrender now.

Awful damn! I certainly showed mother since I got to finally today.

YOU BETTER BEWARE OF ME! I'M A REAL MAN!

OH, BUT YOU'RE NOT A REAL MAN!

STAGE

Where
does he
go?

Spending
all night, I
haven't seen
Ryoma in the
morning or
at night

Where is
he going this
time?

Where am I
just left?

Why is he
leaving?

Lonely...

When I
did that
right

I feel
even more
alone

After
seeing
you
